ARTICLE IV

STANDING COMMITTEES

There shall be the following standing committees, the Chair and members to be appointed by the Chair with the approval of the Director and to serve at the pleasure of the Chair and Director:

(a) Executive – This committee will advise and support the Director of the Massey Cancer Center in determining and prioritizing strategic objectives. It also advocates for MCC with the VCU Health System and University and sets priorities for financial needs and private fund raising.

It shall also serve as the Executive Committee for the Advisory Board and will consist of the Director, the Advisory Board Officers, Standing Committee chairpersons,
Immediate Past Chair of the Advisory Board and other members as recommended by the Chair or Director, and shall meet on call of the Chair or Director. It shall report all actions taken to the next regular meeting of the Board. This Committee shall have the power to take whatever action the Board could take, except the power to adopt, amend or repeal By-Laws.

(b) **Board Resources** – This committee will ensure the effective functioning of the Board by 1) identifying, recruiting and nominating for membership capable and influential individuals who are committed to Massey Cancer Center’s mission; 2) conducting orientation programs to educate new members and integrate them into the work of the Board; 3) clarifying the responsibilities of Board members and Board committees; and 4) bi-annually nominating a slate of officers to lead the Board.

(c) **Clinical Services** – This committee will work with the Massey Cancer Center, its Director as well as the VCU Health System Administration to provide a community perspective to promote continuous quality improvement on the scope, excellence and effectiveness of clinical services, facilities and processes. This committee will provide assistance and support in the planning and design of cancer related facilities to ensure patient comfort, staff efficiency and other “best practices” associated with quality NCI cancer hospitals. In addition, it will support the educational mission of the Linen-Powell Patient Resource Library and the Lois E. Trani Patient Resource Library.
(d) **Community Advocacy Committee** – This committee will assist and advise the Center’s Director and staff in developing and carrying out sound marketing and public relations programs designed to build a network of support across the Commonwealth, increase awareness of the resources and needs of the Massey Cancer Center and to generate public support for MCC.

This committee will also support the Executive and MCC staff in statewide educational outreach about cancer research, prevention and treatments provided by MCC. The committee will assist in providing resources and support for innovations in technology and education that will help to expand reach of the Massey Cancer Center and will assist in developing a comprehensive brand awareness and marketing program.

(d) **Finance and Operations Committee** – This committee is charged with increasing financial security, enhancing operational efficiency and ensuring that all funds raised to support the Massey Cancer Center are subjected to the highest stewardship standards. The committee is responsible for reviewing and understanding the MCC financial structure and budgetary constraints. Working with Massey Cancer Center Associate Director of Administration, the committee shall devise and analyze financial reports to communicate the status of the Center to its stakeholders. It shall serve as a resource to the Director on business operations.

(e) **Fund Development** – This committee is comprised of members of the Campaign, Major and Planned Gifts Committee, the Annual Giving Committee and the Development Events and Cause Marketing Committee. This committee will be chaired by one of the Advisory Board’s Vice Chairs. The Fund Development Committee will work with the Massey Cancer Center Development Office to assist in all areas of
Massey’s development operation and will collaborate among the three development standing committees to review goals, strategies, and progress in building Massey’s private philanthropy opportunities.

(f) **Annual Giving Committee** – This committee will work with the Massey Cancer Center Development Office to identify, solicit, cultivate and steward annual donors and will provide feedback regarding annual giving initiatives and programs.

(g) **Campaign, Major and Planned Gifts Committee** – This committee will work with the Massey Cancer Center Development Office to increase private philanthropy. Committee members and the development staff will work together to identify, cultivate, solicit and steward individuals, corporations and foundations that have the capacity to make major donations and deferred gifts. This committee will also assist with any ongoing capital campaign initiatives and related events.

(h) **Development Events and Cause Marketing Committee** – This committee will work with the Massey Cancer Center Development Office as well as the respective event standing committees to ensure success of the Massey Cancer Center’s signature and third-party events and to increase cause marketing opportunities and fund raising initiatives.

(i) **Public Sector Funding** – This committee will work with the Massey Cancer Center Development Office as well as the VCU Administration to assist in efforts to secure public funding support. This committee will monitor legislation, regulations and policies on the federal and state level affecting MCC, cancer research and prevention initiatives, and in advocating for legislative and funding priorities.

In addition, there shall be other such committees as the Chair, with the approval of the
Director, shall designate with the members to be appointed and to serve in the same manner as provided for standing committees.
